

HOME QUALIFYING COMPARISON

These are some excel spreadsheets for Realtors to use at Open Houses, so borrowers can compare different products for their financing.

Instructions:

1. Fill in Realtor Name, Realtor's Company, and Property Address.
2. Insert Sales Price, Taxes, Ins., HOA fee, Hazard Ins.
3. Select desired rates and your ready to go.

Summary:

These are basic spreadsheets created with Excel 3.0. The plan is to get more sophisticated but I can't do that with out your input. If you like these or have any ideas please send your comments.
