 Interactive tutorial to the guitar and keyboard the uses classic rock songs.

Public Domain

BMUG is best if you are new to PD software and want a well organised, current selection. BBS in a Box offers the most current and complete collection, but is poorly organised and everything is compressed. Feels Like Macintosh - the Australian PD CD is the most relevant.

BBS in a BOX IX.....\$140
 **Extensive collection of public domain information and programs setup for bulletin board use. 1,000 Meg compressed files. Always the latest, but badly organised.
 BMUG Volume 5.....\$140
 **Solid 600 Meg collection of current public domain software from the leading Macintosh user group, BMUG. Best organised collection.
 CD Fun House 7.....\$81
 Small 50 Meg collection of public domain games.
 Class Room.....\$102
 The education public domain collection from the Educorp Software Library with a Discus books sampler.
 Educorp Software Library 5.0 (2 disks).....\$405
 Careful selection of current public domain software with very good graphic interface. Noted for large collection of clip art and laser fonts.
 Giga-ROM II.....\$205
 Massive 1,000 Meg collection of compressed public domain programs. Not as current as BBS in a Box but more demos of applications.
 Macademic.....\$165
 300Meg collection of educational public domain software.
 Macnificent 7.....\$125
 *Collection of PD from the US Home and School MUG. Mainly Hypercard based but noted for many popular game demos.
 Feels Like Macintosh.....\$79
 **First Australian Mac PD CD - due early September.
 Nautilus BackPac 6 volumes.....\$115
 Back issues of the CD based Nautilus magazines. Each pack has 6 back issue disks.

Personal

Take Five.....\$79

Wide range of relaxation activities with Quicktime movies and relaxing sounds and images.

The Baby File: Conception to Birth.....\$97

Documentary with Quicktime movies showing the birth process.

The OutDoor Athlete.....\$70

*Steve Ilg's Cross-training Guide to wholistic Fitness and Sport Performance. Includes Quicktime movies and personal training diary.

Statements, Digital Books, Magazines and Art

Personal publishing will be one of the big growth areas for CD.

Alice in Blendoland.....\$95

Multimedia psychedelic weirdness from blendo artist David Palermo.

How God Makes God.....\$135

Huge life's work about emotions, wealth, probability, maths and interaction.

I Photograph to Remember.....\$69

Renowned photographer Pedro Meyer shares his parent's last years together with photos, personal narrative and music.

Madness of Roland.....\$109

Interactive multimedia novel. Pioneering work.

Mister X.....\$60

Interactive comic from the dark side.

Octavo 92•8.....\$95

*The final CD issue of the seminal Octavo series of journals on typography.

Rodney's Wonder Window.....\$60

*Captivating,..inventive, interactive art for children and adults.

Some of My Favourite Things.....NFS

Large text archive of all things cyberamic.

Trouble in Mind.....\$67

Multimedia novel with video, story, sound and music.

Japanese Multimedia

Japanese multimedia artists have become masters of the rendered image. Low on content, but dripping with production values, charm, style, art and general weirdness, these titles show what happens when you shut talented people in a room full of Quadras.

Alice.....\$399

Surrealist multimedia work by Japanese artist Haruhiko Shono. Based on Lewis Carroll's 'Alice in Wonderland', paintings by Kuniyoshi Kaneko and music by Kazuhiko Kato.

L-Zone.....\$159

Interactive multimedia movie from Japan.

Refixion.....\$119
 Interactive pop video movie.
 Bar Code Crawl.....\$Call
 General weirdness from Geodesic.
 Gadget: Invention, Travel and Adventure.....\$Call
 More wonderful rendering and charm from Haruhiko Shono.
 Over-Ring-Under.....\$Call
 More general weirdness from Geodesic.
 Pyramid.....\$Call
 Stylish multimedia 3D adventure.
 QTV.....\$Call
 Multimedia quicktime magazine with MTV style.

Magazines and Example/Samples

All useful multimedia samplers. The Best of Quicktime v2 is a inspiration for any Quicktime producer and Superstacks for any Hypercard creator. The Macromedia Sampler and the Art of MacWorld have some the best published computer art work.
 Art of Visual Computing.....\$39
 Animations and digital video samples created with Swivel3D, Modelshop II, FilmMaker and QuickPics
 Macromedia Showcase.....\$30
 *Showcase of MacroMedia products and demos.
 MacWorld Superstacks.....\$30
 *The first MacWorld Interface multimedia magazine and the 28 award winning 1991 HyperCard Superstacks.
 The Art of MacWorld.....\$49
 *Collection of computer art and illustration from the pages of US Macworld.
 The Best of Quicktime v1 & 2.....\$120
 **3 CD's with the winning clips from the first and second Annual QuickTime Awards. Wonderful examples of the Quicktime genre. It doesn't get any better than this.
 The Best of Quicktime v2.....\$80
 **2 CD's with the winning clips from the second Annual QuickTime Awards. Wonderful examples of the Quicktime genre. It doesn't get any better than this.
 Verbatim Interactive (2 disks).....\$90
 *Verbum digital art Magazine on CD. Includes the Verbum gallery – art, animation, music and the Verbum RoundTable.

Various Information Titles

Most of these CD's were originally produced for the IBM PC and converted to Macintosh format. They usually use the Textware system that features a text window with index and word search. Images are usually converted from PC PCX format and displayed in a separate window. Mac users used to Hypercard or multimedia CD's will find the interface disappointing, so should consider these titles for their content.

Anatomist.....\$505

Hypercard Human Anatomy CD based on the material from The Anatomy Colouring Book.

Book of Lists #3.....\$109

Popular lists and more lists.

Careerlink.....\$105

Careers Guide produced with the Victorian Education Department.

FindIt Webster.....\$145

New York Times Everyday Dictionary and the New York Times citation index.

Front Page News.....\$200

Full text of ten international news services for 1990 - 200,000 articles.

Jets and Props.....\$100

Aeroplane pictures and facts.

Middle East Diary.....\$145

Lengthy review of Middle East history and conflicts.

NewsBytes.....\$202

The complete archives 1981 - 1990 of the NewsBytes News Network, the largest independent computer industry news service in the world.
