

## **EZ**surfer™ 99 Portal

**EZ**surfer™ Portal Is a unique media that gives the user fast & easy use of the Internet. The system works under the regular web browsers.

With no limitations to the user in any way! You can work with the address line & the existing Bookmarks or Favorites.

**EZ**surfer™ Portal Is suitable for users at any level & in any environment: Home, office & portable. No knowledge of the Internet is required.

**EZ**surfer™ Portal Works with any Internet provider worldwide & in any platform that is web compatible.

**EZ**surfer™ Portal Works in a full multimedia environment including: video clips, animation & background music. Surfing the Internet becomes easy & fast.

**EZ**surfer™ Portal Links to selected sites over the Internet in various subjects. All sites are carefully chosen & only selected sites get into the system. You can surf to any site in a click of the mouse.

**EZ**surfer™ Portal Is a dynamic system that keeps updating automatically from the Internet. Updates on sites, services & technologies will arrive automatically on your computer.

**EZ**surfer™ Portal Uses the advantages of your hard disk as a stable & fast storage media for 'heavy' & solid data, with full Internet support for updates & upgrades.

**EZ**surfer™ Portal Enables fast search in the popular search engines,

at twice the speed of regular search. No need to wait for the search engines, which are the busiest sites on the Internet. You can also search the news groups.

**EZsurfer™** Portal Lets you send & receive Email & Chat services with Internet users worldwide.

**EZsurfer™** Ltd. Is a 'STARTUP' company that put the goal of making Internet usage fast & easy, in a user friendly environment, with full compatibility with any existing format. The company believes that Internet surfing & use can be achieved by anyone, not just the 'experts'.

**EZsurfer™** Ltd. Sees the Web browser as A perfect working environment, that supports multimedia, file managing & Internet connection, with unlimited upgrade abilities of the data, software & links.

**EZsurfer™** Portal Enables fast & easy Internet surfing with no need to remember long addresses. It also enables fast search, dynamic fast multimedia environment, higher stability, is user friendly, and has full backwards compatibility with all existing formats.

After you surf with **EZsurfer™** you won't want to surf 'anyway' else!!!
