

Reporting Bugs

TrashScan is a brand new program. It probably has bugs. I've tried to find them all, but some are bound to remain. It's up to you to report them!

Just send me an email at

mcoffey@ortn.net

and explain exactly what you were doing and what happened. I'll get back to you as soon as possible.

Support

If you need tech support, just send an email to the address given above. I will try to help you as best I can.

Liability

I hope TrashScan will prove useful to you. But please understand that I can't be responsible if TrashScan does weird stuff to your computer, or if it fails to protect you from an attack.
