

Special Thanks

PostNet! would not have been possible without the help of the following individuals and organizations. Thank you all for your support!

Rebecca Haycox — For designing PostNet! and creating the icon graphics and manual graphics. Rebecca works with us at Computer Freelance.

Francis Lew-Koike of the United States Postal Service—For her assistance in testing PostNet!, reviewing this manual and for providing us with a wealth of information on ZIP+4 POSTNET Bar coding.

Andrea Richardson—For the continued support she has given to Computer Freelance.

The San Francisco Renaissance Entrepreneurship Center—For their excellent small business courses and for the continued support they provide to Computer Freelance and other small businesses located in San Francisco.
