

Licensing, Distribution and Limitation of Liability

This PostNet! shareware package may be distributed to others as long as the program and documentation remain unchanged. All four files PostNetCod, PostNetCode.bmap, PostNet! User Docs and FileMaker Pro Example must be distributed together.

When you become a registered user of PostNet!, you may use multiple copies of PostNet! within your office . You may not use PostNet! in other departments within your company or to people outside your company.

Technical support is provided only to the name of the individual shown on the registration form.

Upgrades of PostNet are available through CompuServe or directly through Computer Freelance.

Transfer of ownership of PostNet! to another user is permissible. Computer Freelance must be notified of this transfer in writing. A \$5.00 processing fee must be included.

PostNet! may be uploaded onto bulletin boards and distributed through User Group channels and Shareware organizations. PostNet! may not be sold, offered for sale or bundled with any other product(s), except with the express written permission of Computer Freelance. Resale of PostNet! is prohibited.

Computer Freelance is not liable for any errors, system failures, or data loss/damage that may result from use of PostNet!.

PostNet! licensing is available to software developers. Please contact Computer Freelance at (415) 386-5972.
