-----

Mate in 1. White to move.

Note: Use underscore ( \_ ) for the top horizontal line  
use slash ( / ) for the left vertical line  
use backslash ( \ ) for the right vertical line  
and use dash ( - ) for the bottom horizontal line.  
Refer to the keycaps Desk Accessory for the other keys.  
Please make certain to specify fractional widths when  
printing from an application.
