The menus on your left hand side are used to navigate your way through the Look Around Ireland experience.

Click on Auto Virtual Tour to let the virtual tours run themselves.

Manual Virtual Tour lets you take your own path and operate the tours by yourself.

Slide Show is a collection of fine still images of the 18 tourist attractions. Click on the auto run button to run the slide show automatically.

Ireland Song is a song especially recorded for the Look Around Ireland series.

Screensaver will install a screensaver of 18 beautiful images onto your P.C.

Clicking on the map in the top right hand corner brings up the map. By clicking on the name of the tourist attraction you can view its Virtual Tour.
