10<sup>th</sup> Annual MacHax™  MacHack Best Hack Contest

## THE BALLOT — THE UNDER SIDE

There is also an over side. **Circle up to five hacks.**

*Put ballots in the box by the end of lunch*

*Many thanks to Brad Kollmyer for the Web submission technology! And special thanks to the hardware production crew – a bang up job, guys!*

*While we make every attempt to make sure we don't miss any hacks, we probably did. Too bad, huh? We always do.*
