

CLEAR Software Inc.

Product Line

allCLEAR for Windows v3.0

INTELLIGENT FLOW CHARTS, FAST & EASY

allCLEAR is the fastest and easiest way to create and update diagrams, from the simplest to the most complex. Create your diagrams in graphics mode with drag-and-drop templates, or outline mode, either way you choose, you focus on the process, not the graphics. allCLEAR is automatic, yet versatile enough to give you all the creative tools to fully customize any element of your diagram.

SRP: \$299.95. Network versions and site licenses are also available. DOS version is also available.

CLEAR OrgCharts for Windows v2.0

FAST... EASY... AUTOMATIC...

CLEAR OrgCharts is the fastest and easiest way to create and update organizational charts. Presentation-quality org charts are automatically created from your outlines. It's automatic, yet versatile enough to give you all the creative tools to fully customize any element of your diagram.

SRP: \$99.95

CLEAR Image v1.0

PREVIEW AND IMPORT CLIPART.

Preview any WMF clip art image and paste it into your current document. In other CLEAR products, with CLEAR Image, you can add clip art images to your shape palettes and increase the number of shapes available for use. Or preview images to paste right onto your diagrams and personalize all your presentations.

Included free with your allCLEAR or CLEAR OrgCharts software license.

CLEAR Viewer v1.0

RUNTIME DIAGRAM VIEWER.

CLEAR Viewer is a runtime module for allCLEAR diagrams. You can use it to interactively walk through diagrams created with allCLEAR, making decisions and choosing a particular path through the diagram. Distribute your diagrams to others with CLEAR Viewer runtime, so that your procedures can be viewed, learned, followed, or printed.

Included free with your allCLEAR software license.

NOTE: *CLEAR Viewer may be distributed royalty-free, by any licensed owner of allCLEAR. However, CLEAR Viewer may not be included with, or incorporated into any commercial application software, service, or offering of any kind without the express written consent of CLEAR Software, Inc.*
