Marietta, GA 30066-0007

Benefits of Registration:

As a registered user of **Video Librarian for Windows** you will receive a printed and bound manual, the latest version of this program, FREE technical support via phone, mail, Fax, CompuServe, Prodigy, AOL or GENIE. A program to convert Video Librarian for DOS data* for use with this program. A catalog of discounted products for registered users only. Also you will be notified of all major updates and will be offered the upgrade at a very low cost.

*NOTE: The conversion program can only convert the first 254 characters (about 4 lines) of the Video Librarian memo field. All other fields are converted fully.
