What You Get for Your Order

Is it worth ordering in the first place? - We think so. Here's why:

Apart from the fact that it is **illegal to keep Adastra on your computer** after the licensed evaluation period has elapsed, registration of the software will bring you the following special features and automatic privileges:

- 1) Customization to your precise [location and preferences](#)
- 2) complete absence of reminders, delays, and restrictions
- 3) added comets and star names
- 4) Time-advance animations (sidereal)
- 5) [Dynamic sky](#) reflecting moonlight and sunlight levels
- 6) The complete Messier Catalog in ImageIcons
- 7) Precession of the equinoxes
- 8) Unlimited support by mail or e-mail
- 9) Updates at up to [50% discount](#)
- 10) Automatic eligibility for privileged [special offers](#) and add-ons

In return for your registration Swimming Elk Software will send you a **personal** (dedicated) copy of the latest version of Adastra pre-programmed with your name, home location and startup preferences. You may contact us by post or E-mail at any time after registration with any problem or query concerning the inner workings of Adastra.

Convinced? - Just [click the button right here](#) to go straight to our **secure** Web-based order form. **As soon as we receive credit-card notification from our agents, your registered copy of Adastra will be on its way to you via our Express Internet service. You should receive your personalized copy within 72 hours.**
