form to us here at Coeli Software either electronically or through the post.

What You Get for Your Order

Is it worth ordering in the first place? - We think so. Here's why:

Apart from the fact that it is **illegal to keep Stella on your computer** after the licensed evaluation period has elapsed, registration of the software will bring you the following special features and automatic privileges:

- Customization to your precise [location and preferences](#)
- Complete absence of reminders, promotions, delays, and restrictions
- Tiered SAO/Hipparcos extensions of up to [300000 stars](#)
- Concise HTML [dictionary of 1000 astronomical terms](#) *integral and unabridged*
- 110 extra star names to enhance Stella's sky display
- [Dynamic sky](#) reflecting moonlight and sunlight levels
- The complete Messier Catalog in ImageIcons
- Precession of the equinoxes plus "Stella BC" TimeLine
- The ability to stop and start Stella's real-time clock at will
- Observing list [hardcopy](#) for telescope work
- Unlimited support by e-mail
- Updates at up to [70% discount](#)
- Automatic eligibility for privileged [special offers](#) and add-ons
- **FREE** 50,000-star bonus package
- **FREE** Mystery Gift

Within hours of your order, Coeli Software will send you a **personal** (dedicated) copy of the latest version of Stella pre-programmed with your name, home location and startup preferences. You may contact us by E-mail at any time after registration with any problem or query concerning the inner workings of Stella.

Convinced? - Just [click the button right here](#) to go straight to our **secure** Web-based order form. **As soon as we receive credit-card notification from our agents, your registered copy of Stella will be on its way to you via our Express Internet service. You should receive your personalized copy within 72 hours.**
