

EURO-Connect Infonet Network To access CompuServe through the Infonet network in Ireland, follow the instructions below. GO RATES to view current information on communication surcharges.

LOGON INSTRUCTIONS: 1. Establish a phone connection by dialing an Infonet (INF) access number listed under "List Access Numbers" from the previous menu.

2. Once the connection has been made, press Enter or Carriage Return several times. From these, Infonet determines the speed of your terminal.

3. At the "#" prompt, type the letter C and press Carriage Return. Note that the C will NOT appear on your screen.

4. You will see "PORT: NN" (where NN is the Infonet port number), followed by "CENTER:". Type CSF and press Carriage Return. The CSF will NOT appear on your screen.

5. You will see COMMUNICATION ESTABLISHED followed by the "User ID:" prompt. Enter your User ID number and log on as usual.

example: CONNECT 2400 # C PORT: 56 CENTER: CSF COMMUNICATION ESTABLISHED User ID: LOGGING OFF: To log off from the CompuServe Information Service, type OFF at any ! prompt online.

ex: ! OFF Or, if you are using the Information Manager software, select "Disconnect" from the "File" pull-down menu.
