

Are you looking for a cool game filled with action that is fun for kids and grown ups too? Splatterball gives you the heart-pumping thrill of outdoor paintball but is never cancelled on a rainy day.

This is pure person-on-person 3D action, with up to 20 people playing in one match. Four different SplatGuns are available depending on the player's style - the SplatPistol, the SplatRifle, the Balloon Launcher, and the Burst Gun.

In Splatterball, you will find the interface sporting a comic book look and feel, displayed in eye-popping 16-bit High Colour graphics (32,000 colours) - plus a whole lot of fun!
