FX Fighter - The Game

Eight great fighters...eight proud civilizations.
And a Champion who wants to destroy them all.

You are up against the best known fighters in the Universe in a brawl to the death.
The competition will be held in 8 different arenas, on eight different planets against eight very different competitors. Robots, insects, Cyborgs will all use a barrage of attacks to eliminate you from the competition... permanently. In this galactic event there are no prizes for second place... only body bags.

Welcome to the FX Fighter universe...
