

Here's a list of frequencies compiled from several sources. The ones with "TRUE" at the end are the ones I've confirmed at a racetrack as "in use". If you have any frequencies, send them to me so I can try to keep this list up to date. (If you know of any frequencies no longer in use, let me know of those also.) Send additions, corrections, comments, questions, sane or insane remarks to: RIS-Keith Patti, 76347,3064.
