VBCalendar V2

About VBCalendar 2

VBCalendar 2.4 now supports 'Drag & Drop' allowing you to Drag dates from the calendar and Drop them into any control supporting Drag & Drop. Remember, VBCalendar is not dependant on any MS or 3rd party VBX's (VBRUN300 is obviously still required) - keeping memory overheads to a minimum. Support for ALL international date formats has been built in! Registration is UK£7.50 (Approx US$10.00) and entitles you to integrate the source code in your own applications. Enjoy.

Registering VBCalendar 2

The easiest and quickest method of registration is via the SWREG forum on CompuServe - Registration ID: 1633. Alternatively, EMail us quoting your credit card details. If you don't have access to CompuServe, fax or mail us with your details.

We will endeavor to get the source code to you within 1 business day!

Remember, Mastercard and VISA automatically convert dollars to pounds with no extra charges.

If you send payment by check or money order, please ensure it has been drawn on a UK clearing bank in pounds sterling. Thank you.
