Crystal Reports Technical Document

Subject: Print Engine Error Codes
Date: November 5, 1993
Versions: 1.0, 1.1, 2.0(Std), 2.0(Pro), VB

Situation:

Getting an error code from the Crystal Reports Print Engine that is not documented.

Solution:

This is an excerpt from the source code that indicates what error the code represents. For more information on specific errors, refer to the CRPE Errors section of your manual.

```
#define PE_ERR_NOERROR                  0
