

Crystal Reports Technical Document

Subject: HP IV Driver Compatability

Date: July, 28 1993

Versions: All

Situation:

The HP Laserjet IV driver appears to be incompatible with Crystal Reports.
Text either looses the bottom half of the text or give a memory error.
We reccommend selecting one of the other HP drivers instead.
eg HPIII.

Make sure that you have the latest driver. An update may improve or fix this problem.
Latest version at time of writting this document: Feb 93.
