Archimedes World Index

The ArcScan III Library Disc⁺ has now been updated to include an index for all issues of Archimedes World (from January 1991) as well as indexes to Acorn User and Micro User:

- Acorn User (January 1987 to date)
- Archimedes World (January 1991 to date)
- Micro User (January 1987 to date)

The indexes to all three magazines will continue to be

ArcScan III is the pre-eminent indexing system for magazines and manuals on the Archimedes. Further indexes will be added to those already available during 1992, and existing indexes will continue to be updated whenever appropriate.
