

Name	Set	Test Mark	Attainment	Effort	Comment
Darren Black	A1	81	B	1	Darren is by far the hardest working boy in the class, although he would do better if he wore sunglasses outside.
Dave Green	A1	85	A	1	Dave should really wipe his nose more often, it will simply not do!
Dorris Pink	A1	96	A	1	Dorris has had a lovely year, although things will only get worse in the future.
Drusilla Red	A1	100	A	3	Drusilla is an outstanding physicist, but I fear that her interest in blood might prevent her taking her academic studies as far as we might hope.
Dean Rose	A1	71	C	2	Dean would do really well at this subject if he actually bothered attending classes.
Dan White	A1	89	A	1	Dan has spent far too long cleaning his teeth for his physics grade to ever improve beyond this level.
