

## **ROSWELL The Original**

We congratulate you to your

ROSWELL The Original    PC Video Version

You got a quality multimedia documentary product.  
To reach a good performance, we suggest:

- Configure your Video-Playback (In Control [Main group] please select Drivers, then [MCI] Microsoft Video for Windows, then configure):  
Please ensure that the "Skip frames if behind button" is checked.

During playback of the software, the CD must be inserted .  
It is not necessary to copy the complete contents of the CD to your hard drive, the software runs FROM CD ONLY.

Thank you for using ROMWARE products!

Your ROMWARE Team
