

## Sheet1

TDHERO Templates of Doom by Pete Antoniak

commands to discover the characters and plot of an exciting adventure. You will start with the simple and work toward the complex. Remember, you are being timed. Par for this template is  
Your start time was:

The first task is to find the NAME OF THE HERO. It is hidden between cells A19 and V29. To find it, you might have to delete, insert, move, change the format, change column-widths, or use any other available SPREADSHEET command. Feel free to explore. Try anything and everything; this is your time to experiment.

After you have found our HERO'S NAME, press ALT-A to bring up the Answer Menu. Select his name from the array of possible answers by using the right and left arrow keys to select Answer1-7 and then press [RTN]. Remember ALT-H for a Hint/Help Menu and ALT-B for the fake spreadsheet.

## Sheet1

Help3 navigates you through the spreadsheet help screens.

If you are unsure how to proceed, read about Help3 in the instruction.

Follow the instructions on the top of the screen.

When you are finished, press the Return and Home keys to continue.

Follow the instructions on the top of the screen.
