

# Path of Tears

Patty Biakko

*Can I go / anywhere / without you?  
Can I think / anything / excluding you?  
Can I talk / to anyone / 'n' not ask of you?  
Can I live / anyway / if you're so far away?*

*You! You...  
You're so far away!  
How can I believe in you?  
You're so far away...  
Can I trust in you, if you're so far away?*

*Everywhere / that I went / I look for you...  
Everything / that I thought / I remembered you...  
To everyone / that I talked / I told of you...  
Everyway / in my life / you're inside of me!*

*Can I believe in you?  
You're so far away...  
How can I trust in you, if you're inside of me?*

*Can I turn / - where are you? / to be with you?  
Can I say / - are you listening? / that I missed you?  
Can I know / - who could tell? / what I mean to you?!  
Can I try / - how will I? / to have you by my side?!!*

*Can I believe in you? Still so far away...  
Will I trust in you? We're so far... far away...*

*Blood drops out of my mouth  
I taste your body - so hot!...  
Can't you hear a whisper in silence?  
My body is calling loud for you!...*

*- Ah!*

*All my veins spoke of hunger  
Now that you know - be strong!...  
Can't you hear your heart beating?  
My skin accepts the love you give to me!...*

*- Uh!*

*Sweat washes my breast in flame  
Passion urges our lips - kiss me!...  
Can't you hear the time stopping?  
The clock let our rhythm pass it through!...*

*- Oh!*

*A dread pleasure runs on your face...  
Ah! Cold, so cold turns out your gaze...  
Uh! Thou shall not die - please stay awake!  
Oh! Just a bit more for my sake!  
Ah! Blood drops out of my mouth...  
Ooooh! I'm still starving of your youth!...*

*- Uuuh! A bit more... please...*

*- Aaah! A bit more...*

*- Ohhh! Ah! Enough!!!*
