Damn! I have a right to a cushy lifestyle!!!

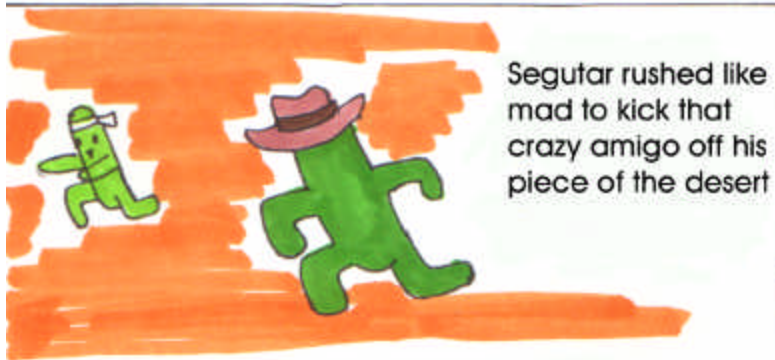

Then Segutar got mad, why should he feel guilty because of a fitness nut.

Al Bhed Territory:  
Cactuar Village

There's a lone male cactuar sunbathing. His name is Segutar.

What a nice, hot day.....  
....siesta.....heh

Segutar rushed like mad to kick that crazy amigo off his piece of the desert

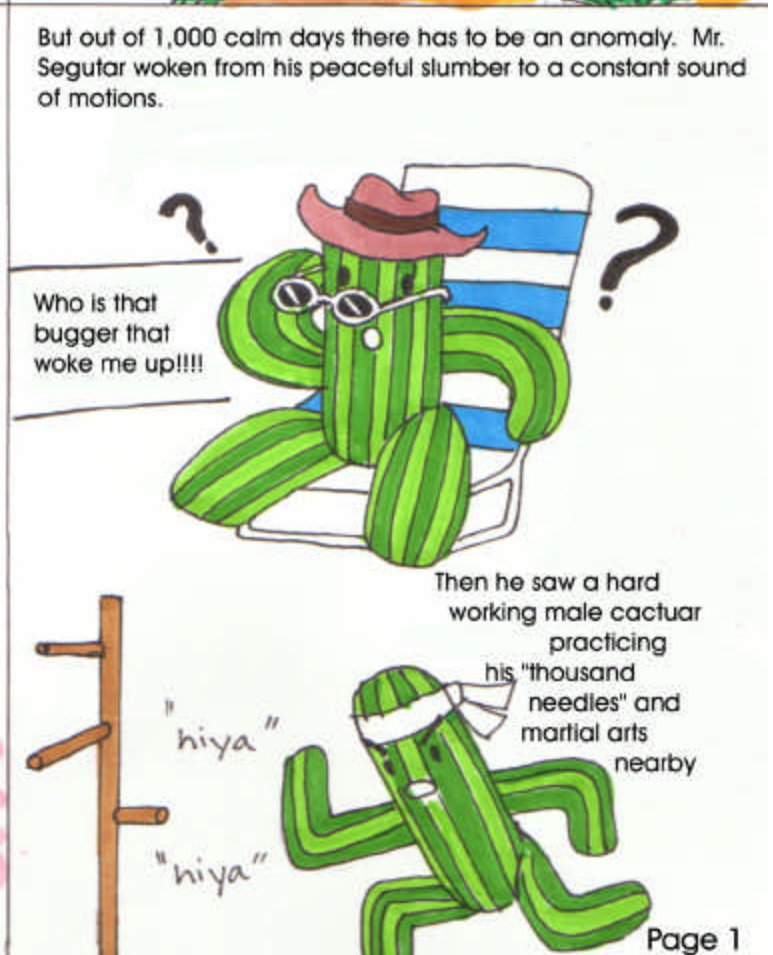

Approaching his imagined enemy, Segutar got a close up look of the cactuar.....

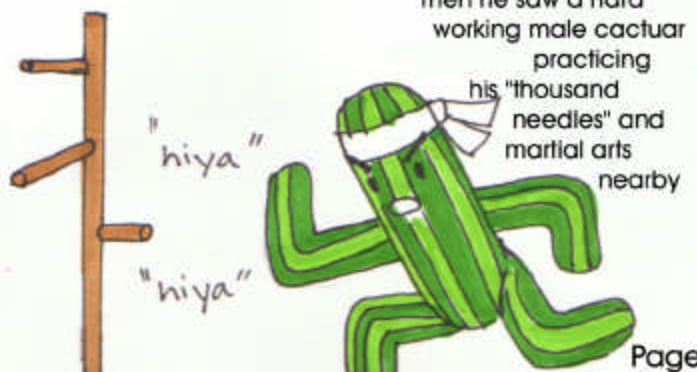

YO!

....The sun has made that amigo sparkled like water gems

Segutar was stricken by a new feeling in his heart

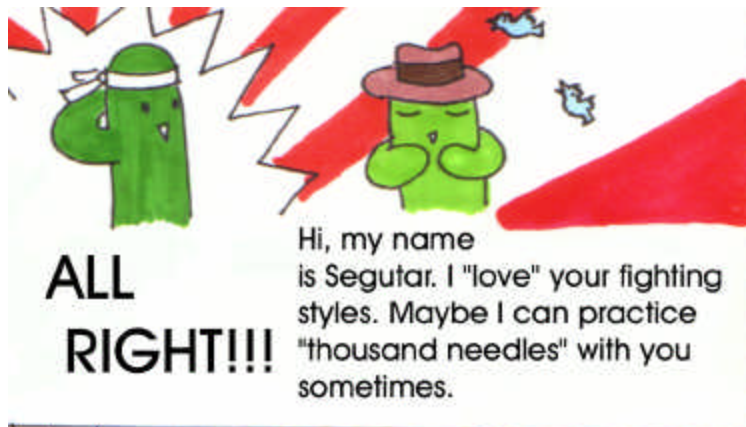

Who is that bugged that woke me up!!!!

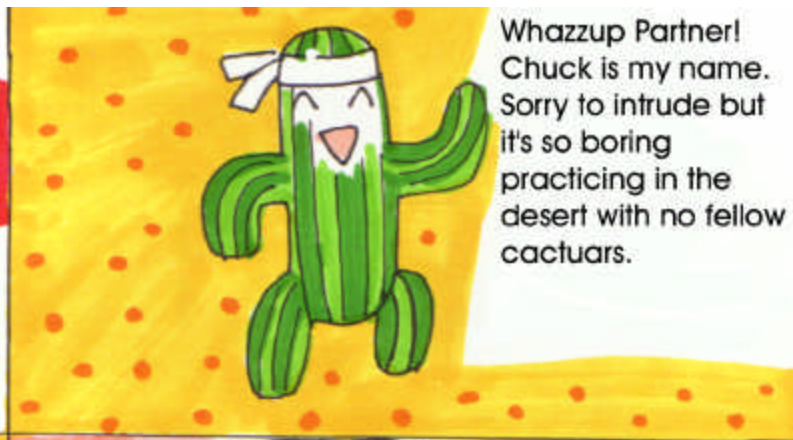

Then he saw a hard working male cactuar practicing his "thousand needles" and martial arts nearby

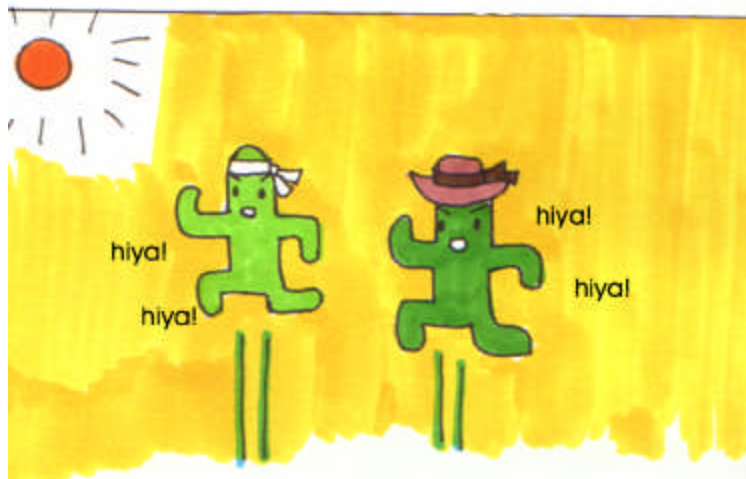

ALL  
RIGHT!!!

Hi, my name  
is Segutar. I "love" your fighting  
styles. Maybe I can practice  
"thousand needles" with you  
sometimes.

Whazzup Partner!  
Chuck is my name.  
Sorry to intrude but  
it's so boring  
practicing in the  
desert with no fellow  
cactuars.

Segutar went from a lazy cactuar to an early riser,  
sparring with Chuck every morning til dawn, and  
the prickly fruit of his labor is.....

I have a sparring  
partner. Yeah!!!

A star studded hot bath  
with his love Chuck in his  
desert paradise. :)

Oh, this  
water is  
sublime.

Yeah, Baby!
