A KAIKAN PHRASE

TOWA X ATSURO
LOVE SONG

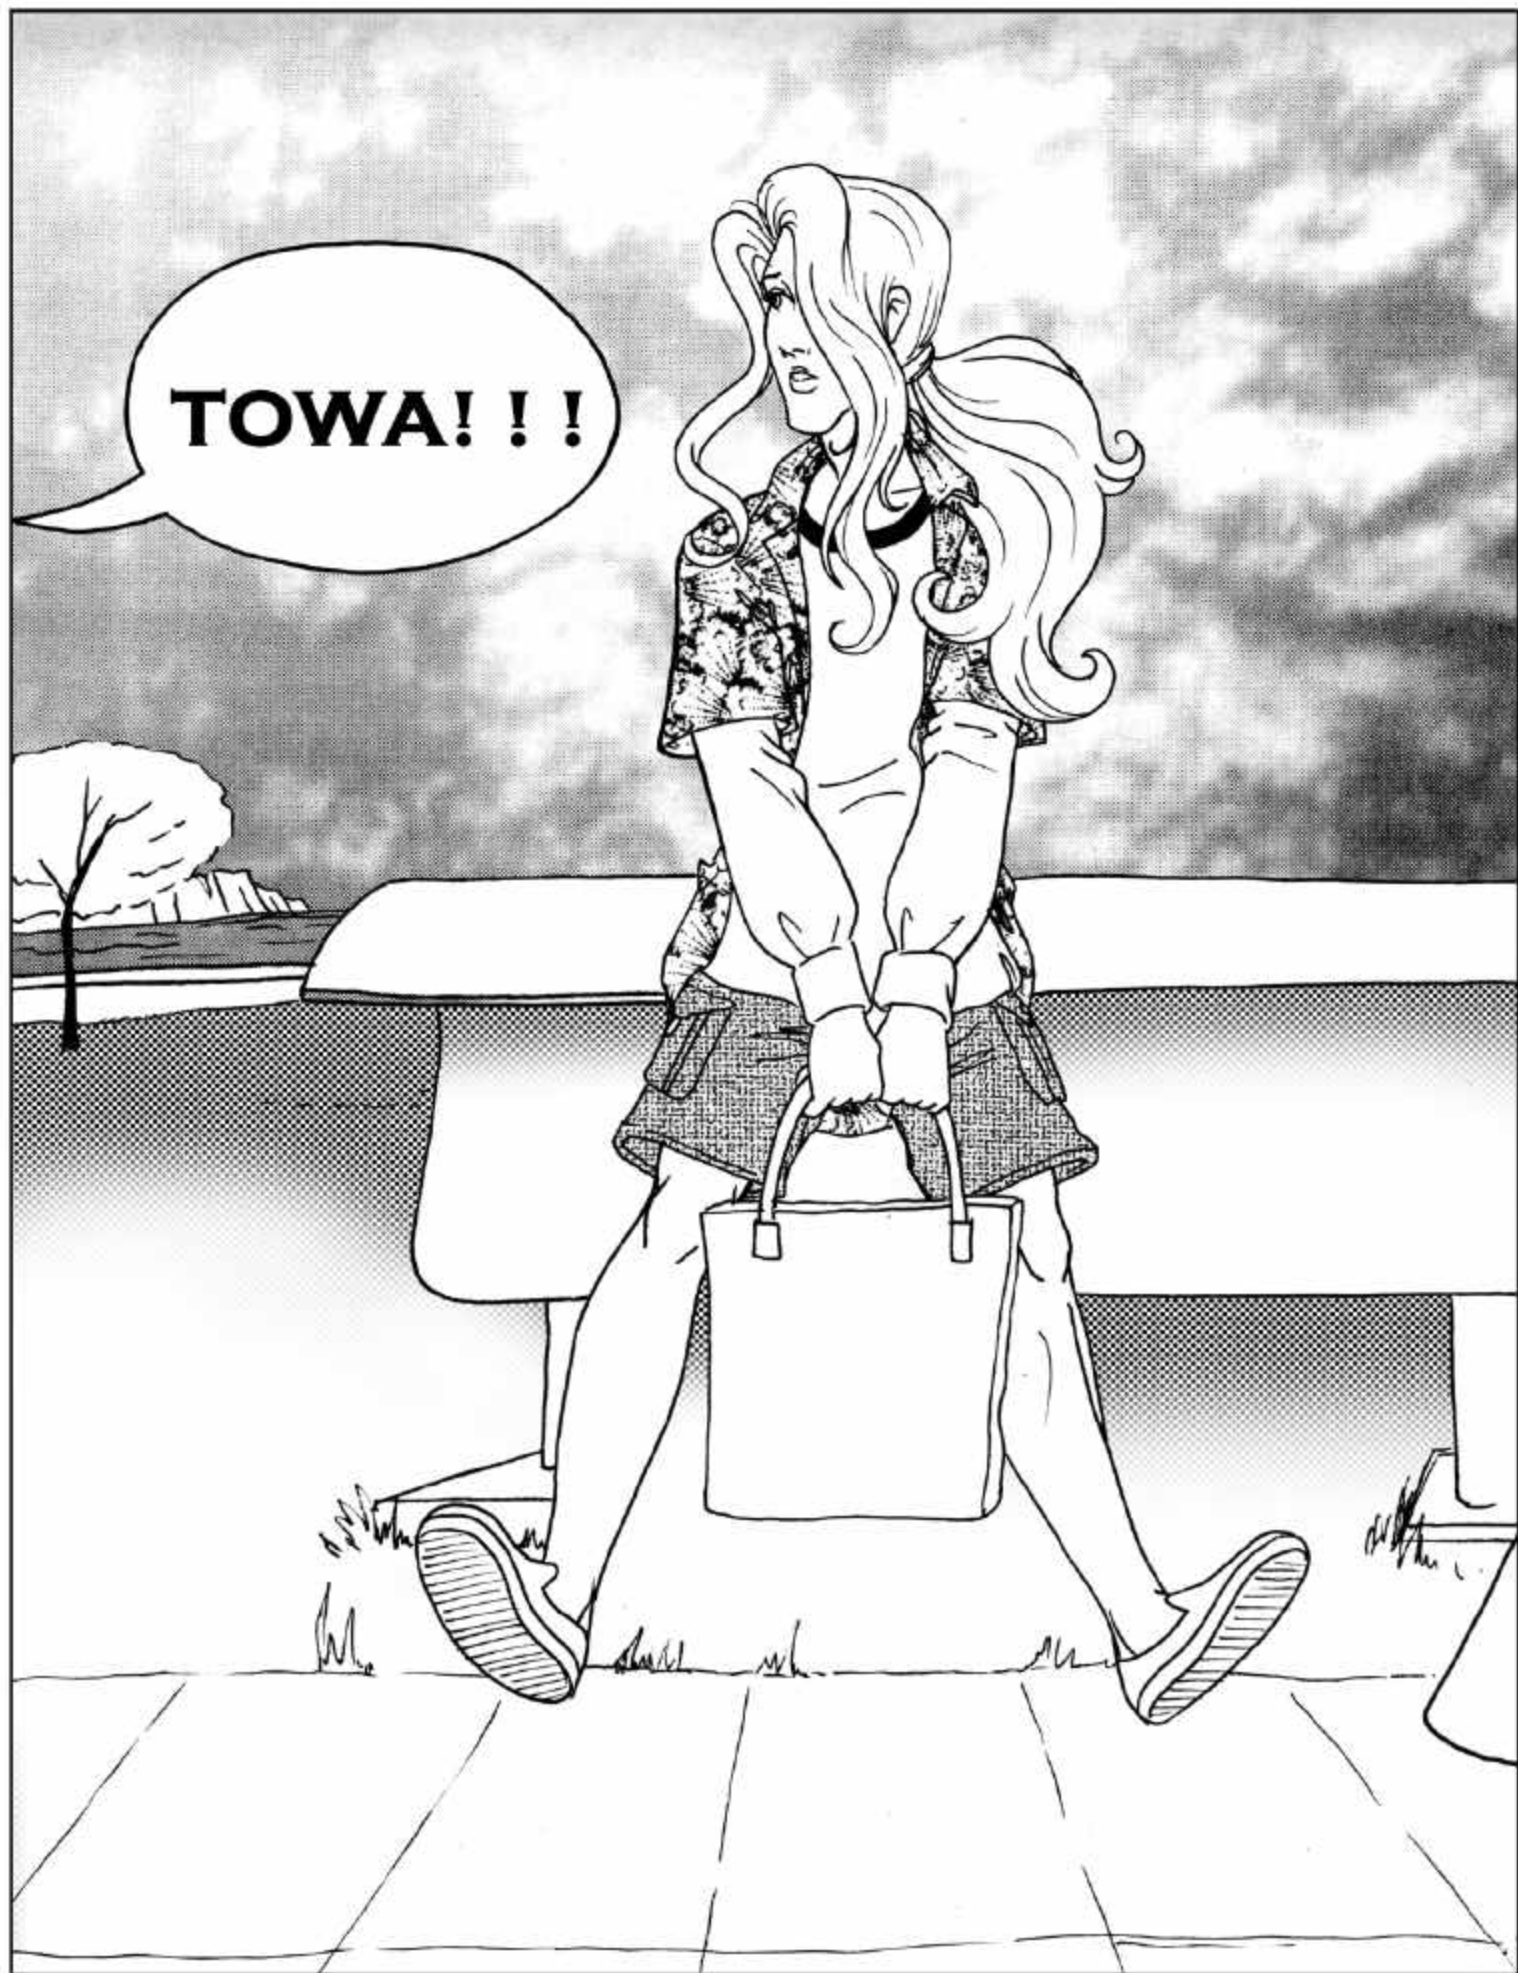

Where is he?
Did he miss the train?
I hope nothing
happened. . .

AH!
There he is !

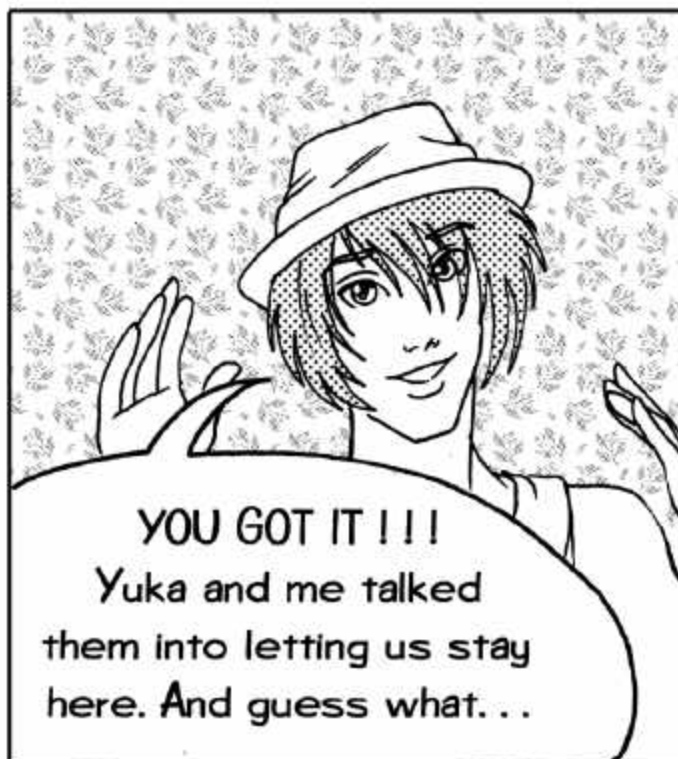

ALLRIGHT !!
He made it after all. . .
HEY OVER HERE !!!

TOWA!!!

Atsuro !
Have your
parents gone
back to
Tokyo ?

YOU GOT IT !!!
Yuka and me talked
them into letting us stay
here. And guess what...

Silent Melody

Kaikan Phrase
Towa X Atsuro

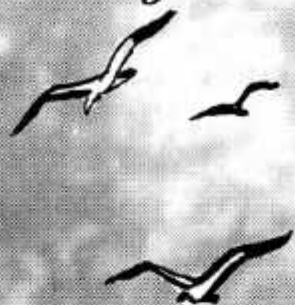

By Sonya

So we'll have
the beach house
all to ourselves?
How nice of
her !

Yuka will be
staying at a friend's
cottage for a
few days
...

*Love. . .
Love. . . Love Song . . .*

*Watching the gleaming
sea . . .*

*Butterflies of light
danced . . .*

*You smiled with innocent eyes
The love that
is
dreamlike*

If shaken I might crumble, so my hands are always in my pockets.

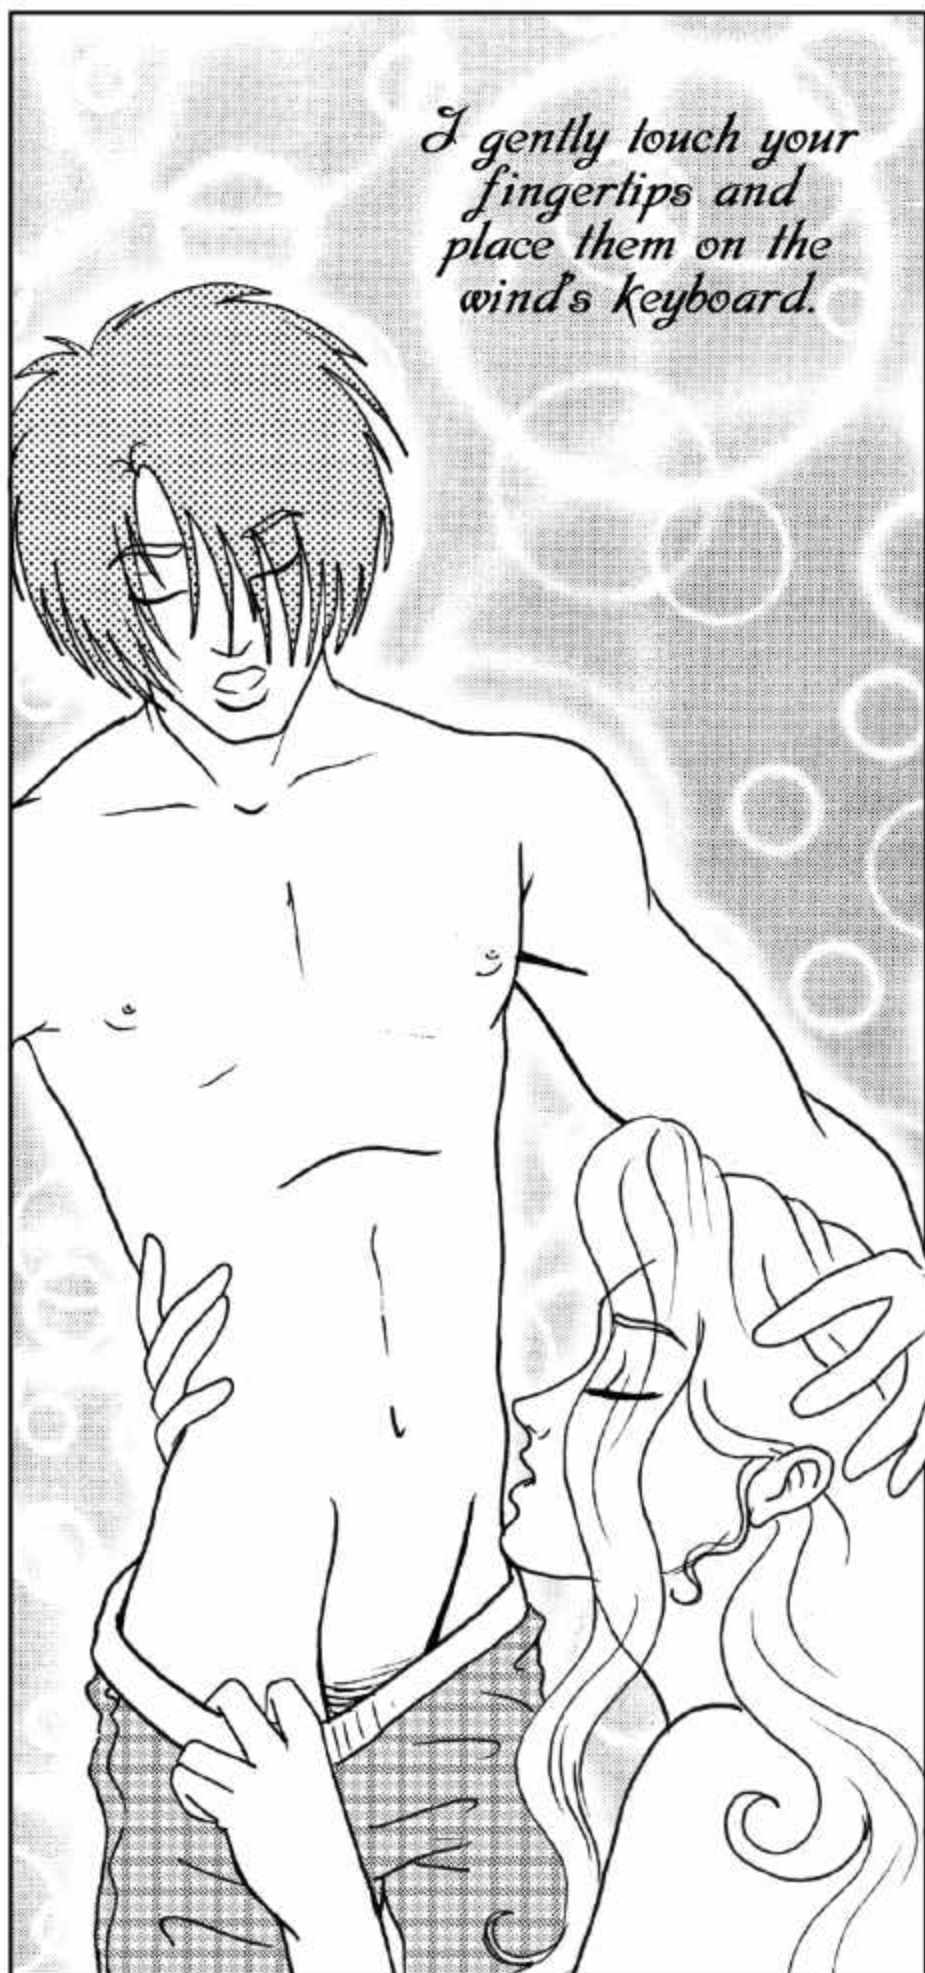

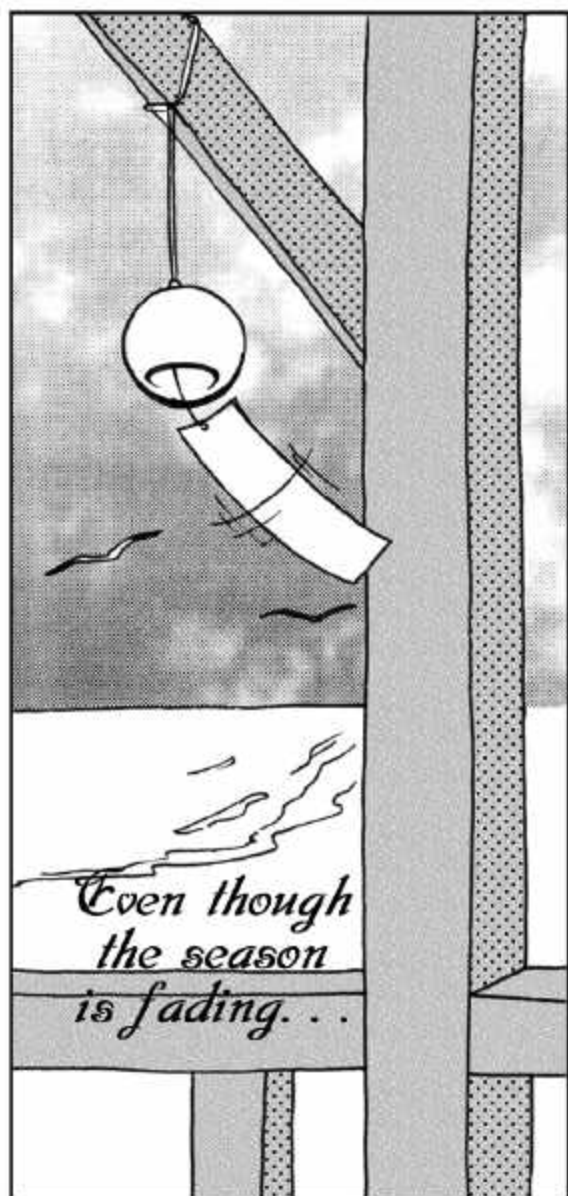

*We gaze upon
each other
and carry our
dreams to
the future.*

*The feeling to shout,
change it to
a small kiss,
my Love...*

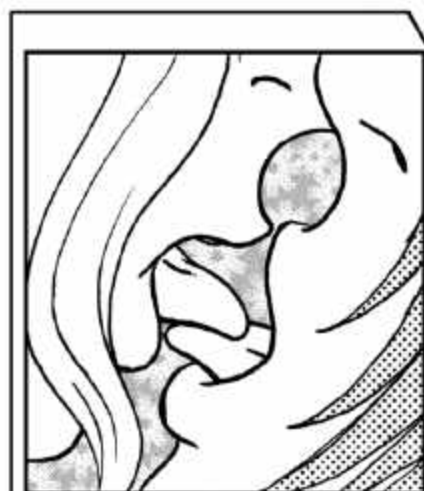

*A melody that
echoes only
in my
heart.*

*Just my love
song.*

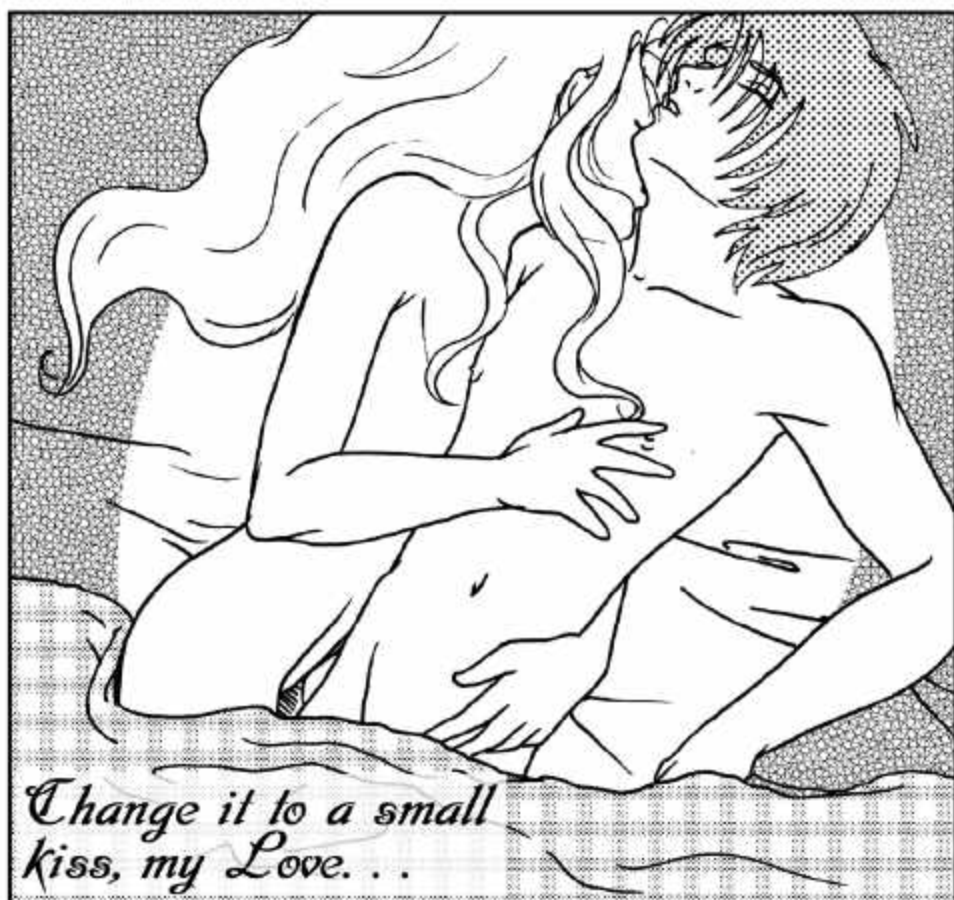

*And carry
our dreams to
the future.*

Yes

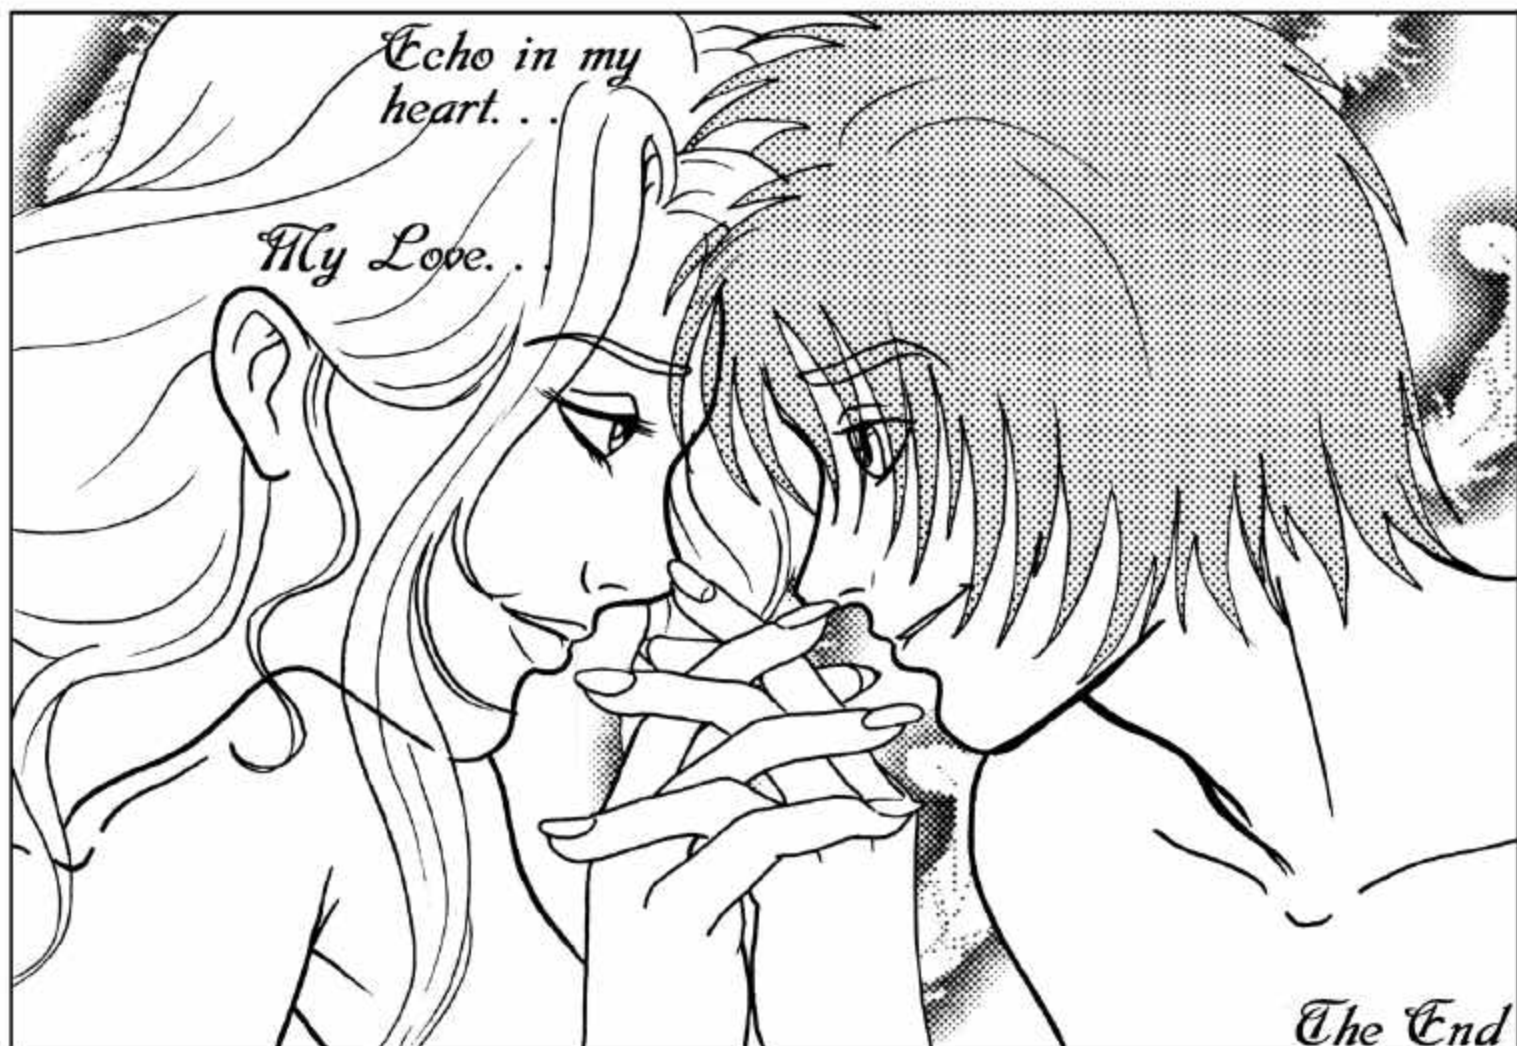

*We gaze upon
each other*

*The feeling
to shout. . .*

*Change it to a small
kiss, my Love. . .*

*Echo in my
heart. . .*

My Love. . .

The End
