Rosenthal WinLite ™

Welcome to Rosenthal WinLite. This file gives you a brief overview of the program and provides an order form.

Rosenthal WinLite provides software developers with EXE file size reduction for their Windows 3.1 files. This yields smaller EXE files and discourages reverse engineering.

Rosenthal WinLite can also incorporate Rosenthal Engineering's Virus Armor® in the executable.

Other products of interest from Rosenthal Engineering:
Master Disk™
System Monitor
Virus Simulator
Disk Drive Cleaner

These products can be acquired at all major shareware outlets and shareware CD-ROMs.

NOTICE FOR REGISTERED ROSENTHAL WINLITE LICENSEE'S
The WinLite.REG file contains your unique company name and
license numbers which are issued when this software is registered.
This security information is embedded within your compressed file
and should not be made public.

*You should guard WINLITE.REG from public access. For your
protection, under no circumstances should WINLITE.REG be
distributed.*

Software License agreement

You are encouraged to freely copy and distribute the unregistered version of this software provided it remains unmodified, complete in its original form, and no fee (other than a nominal copy charge) is required. You may not make any changes or modifications to the software, and you may not decompile, disassemble or in any way reverse engineer the software. This software is provided "as is" without warranties of any kind. Responsibility rests entirely with the user to determine its fitness for a particular purpose. ROSENTHAL ENGINEERING SHALL NOT IN ANY CASE BE LIABLE FOR SPECIAL, INCIDENTAL, CONSEQUENTIAL, INDIRECT OR OTHER SIMILAR DAMAGES ARISING FROM ANY USE OF THIS SOFTWARE. Some states may not allow these limits on warranties, so they may not apply to you. In no case shall Rosenthal Engineering's liability exceed the license fees paid by you to Rosenthal Engineering for the right to use the Licensed Software. Use, duplication, or disclosure by the U.S. Government of the computer software and documentation in this package shall be subject to the restricted rights applicable to commercial computer software as set forth in subdivision (b) (3) (ii) of the Rights in Technical Data and Computer Software clause at 252.227-7013   (DFARS 52.227-7013). The Contractor/manufacturer is Doren Rosenthal, Rosenthal Engineering, P.O. Box 1650, San Luis Obispo, California 93406. This constitutes the entire agreement and understanding between the parties and supersedes any prior agreement or understanding whether oral or written and may only be modified in writing.
