

## The NCSA Imagemap Format

Keyword	URL	Coordinates
---------	-----	-------------

rect	your_url_here	x,y x,y
------	---------------	---------

circ	your_url_here	x,y x,y
------	---------------	---------

poly	your_url_here	x,y ... x,y
------	---------------	-------------

Rectangles are specified by their left, top, right and bottom coordinates.

Circles are specified by their left, top, right and bottom coordinates.

Polygons are specified by a list of vertices.
