

The button below will add "American Heritage" to your Utilities or Tools menu.

You can use this item to look up the meaning of a word, or just to bring up The American Heritage Dictionary quickly. Select a word by double clicking on it and pull down the Utilities menu (Word 1) or Tools menu (Word 2) and click on "American Heritage." That's all there is to it. When you are finished looking up the word, use the Replace button to paste the word back into your document.
