

# **This is a Title**

This is a Paragraph, in a paragraph you can type text and it will wrap around, you can also use hard returns and tabs, use the CTRL-TAB combination for tabs. To add an object to the topic, drag the object button from the toolbox and drop on the topic page.

## **This is a Heading**

You can assign Jumps, Winhelp Macros, or Sound files to labels and Images.

[This is a Jump](#)

[This is a Macro](#)

[This is a Sound](#)

Note that sound will not play if your system does not support it.

### ***This is a Subheading***

n This is a Bullet

n Bullet text will also wrap like paragraphs.

# Sample Topic

[This is a Macro that goes to contents](#)

This topic has the scroll area defined bellow this paragraph

## Image

The image bellow is defined but has no bitmap linked to it, to link a bitmap click on the bitmap button in this topic window (Third Button). Note if no bitmap is linked the image will not show in the compiled help file.
