<u>Order Form</u>

Remit to: Cinematronics
              65 Grandview Unit "I"
              Santa Cruz, CA 95060

When you register you will receive:

1. The latest version of Launch.
2. Printed documentation.
3. A registration number which will disable the reminder box.
4. Support via CompuServe (72411,2670), MCI Mail or regular post.
5. A collection of Windows utilities which work well with Launch.

If you are a member of CompuServe you can register online via SWREG. Sorry, we cannot accept credit card orders but we can accept checks drawn on a U.S. bank, postal money orders or U.S. currency. Make checks and money orders payable to Cinematronics.

If you are a registered user of any earlier version you can upgrade to Launch 3.0 for one-half price- only $15. Minor upgrades are free (your registration number is good for all minor upgrades) and major upgrades will always be inexpensive.

Thank-you for your support!
