

Version 1.0.1:        June 8, 1993

Added the "OK" and "Copy to Clipboard" buttons to the Online-Help.

Changed the INIT-part so that the modification date of the "StartupScreen" file doesn't change at every startup. It still changes if you modify the file with the control panel.

Version 1.0:         April 23, 1993

This is the first version to be released to the public.
