Version 2.0.6 Released November 2, 2005

To use this application, copy it to your Applications folder (or anywhere, really).

For more information, please go to <<http://homepage.mac.com/jonn8/ntf/>> (if you just see <> to the left, the URL is <<http://homepage.mac.com/jonn8/ntf/>>).

Name those Files! requires Mac OS X 10.2 or later.

While NtF! should work on all computers that meet the requirements, please test NtF! to see if it is compatible with your system before you register. The beauty of shareware is that you can determine if a product will meet your needs before you buy it so please, please exercise this great feature!

This software is provided on an “AS IS” basis, without warranty of any kind, either expressed or implied, including, without limitation, warranties that the subject software is free of defects, merchantable, fit for a particular purpose or non-infringing. Jonathan Nathan assumes no risk as to the quality and performance of the software. Should the software prove defective in any respect, Jonathan Nathan assumes no cost or liability for any servicing, repair or correction.
