## FindDialog

The image shows a window titled "FindDialog" overlaid on a fine grid. The window contains the following elements:

- A label "Find Member of Project Object" at the top left.
- A text input field below the label.
- A vertical scroll bar to the right of the text input field.
- A checkbox labeled "Start at beginning of word only" below the text input field.
- Two buttons, "OK" and "Cancel", stacked vertically to the right of the scroll bar.

## ParentsDialog

The image shows a dialog box titled "ParentsDialog" overlaid on a fine grid background. The dialog box has a title bar at the top. Below the title bar, the text "Find Parent Object" is displayed. Underneath this, there is a label "Specify property or method to find:" followed by a single-line text input field. To the right of the input field are two buttons: "OK" and "Cancel". At the bottom left of the dialog box, there is a checkbox followed by the text "Full name only".
