SPEAKER LIST VBITS'94 SAN FRANCISCO

Feb. 28 through March 2 1994.

This is a list of the speakers and topics with notes about what has been updated from the proceedings attendees received at the Visual Basic Insiders' Technical Summit in San Francisco.

The demonstration files are in the VBITSDEM directories and are organized by day given, track and speaker name. A schedule of VBITS-SF is also provided for your reference. PowerPoint slides are in the VBITSPPT directory and are also organized by day given, track and speaker name.

Many of the presentations will be given at the remaining 1994 sites listed below:

REMAINING VBITS SITES 1994

Los Angeles, June 13 and 14

Orlando September 22 and 23

Chicago October 31 and November 1

For more information on Visual Basic Insiders' Technical Summits,
please call 800-848-5523 or 415-917-7650.
