

## Registration & Disclaimer

**Disclaimer:** The author and U-Turn Productions assumes no responsibility for any damage, mental, physical, or otherwise that may occur as a result of using VB Backup. U-Turn Productions also reserves the right to merchantability of this product and no part of it may be included or sold without the consent of the author.

Other than that I hope you find VB Backup a useful tool to back up all of your VB projects.

### **Registration:**

Well, registering VB Backup is very simple. All you have to do is send money or a check to us and we will mail or E-Mail you the registration password. You will then be on our list of registered customers and will receive support and information on upgrades. Registering helps support us poor guys keep the Shareware concept alive.

Registration for VB Backup is a low \$6! Much less than some OTHER programs. We figure that registration should not be expensive for something that does not do much but that can be very useful. So register soon.

Registration Form (Please Fill out, cut out ,and send it out to us)
