WINDOWS JACKMATIQUE - VERSION 1.0

JackMatique is distributed as user supported software, popularly
referred to as SHAREWARE. You may freely copy and distribute
the program so long as it is not modified. A nominal service
charge may by assessed for copying and distributing the program
so long as it does not exceed $7. If you use the program you are
expected to compensate the author for his efforts. This
encourages the continued development of better quality programs
which are supported by their users.

DOUBLE DOWN OPTION TO REGISTERED USERS:

The registration fee for JackMatique is $13 Dollards.
An order form has been included with this package. Just print
this form, fill it out, enclose payment, and mail it to us.
Those who register now, will receive an updated copy of
JackMatique that has the Double Down Option included. This is
an option that allows the chance to double your Bet on one card.
It adds an exciting twist to playing conventional Black Jack.
This option is only available to registered users, so if you
would like this addition to the standard Black Jack, register
today.

THE FINE PRINT:

This software is for entertainment purposes only, and is sold
AS IS, without any warranty as performance or any other
warranties whether expressed or implied. Because of the many
hardware and software environments into which this program may
be used, no warranty of fitness for a particular purpose is
offered. The user must assume the entire risk of using the
program. Any liability of the seller will be limited
exclusively to product replacement or refund of the
registration fee.

Thanks for supporting Shareware!
