

Thanks for trying AddToWIN by EMKAY Software!

EMKAY is pleased to release this Introductory version of AddToWIN, the first in a series of 4 programs designed to make Win95 or Windows 3.1 easier to use.

If you are new to PC's, AddToWIN was created with YOU in mind! But, whether you are new or experienced, you will find AddToWIN the most 'User Useful' way to launch your DOS or Windows applications.

And, very soon, EMKAY's File Manager will be released, bringing a whole new approach to managing your files. With functionality to please the 'power user', AddToWIN's File Manager makes the 'new user' feel right at home tracking and organizing information. As a registered user, you will be entitled to a FREE copy of the File Manager as soon as it becomes available. See the order form below.

The EMKAY design team has made every attempt to provide all the instructions or help you will need through 'popup' help messages and the Status Bar. Exanded help files are not included in this Trial version but will be included in the full retail release to be available shortly. We welcome your comments on this help approach and encourage you to contact us by email at:
