

**Games Press: "Harry Potter"****Harry Potter****Product Description**

Take to the air in the first game that allows players to fully experience the magical speed, power, and competition of Quidditch, the favorite sport of witches and wizards, in the Harry Potter: Quidditch World Cup game. For the first time, gamers will experience the full complexity and exciting challenge of Quidditch, which involves two teams of seven players who fly on broomsticks, playing four balls simultaneously. Players will control every position on their team, including three Chasers who try to score with the Quaffle
