

## WARCRAFT 2 Scenario "The Bridge To Lothar"

It has been a week since Sir Lothar has been captured. His castle was raided by orcish forces. Caught unprepared by the attack, Lothar did not wish to lose men for no reason so he surrendered. His men wanted to fight but he did not let them and let the orcs take him and his men to an orcish prison. The orcs, somewhat disappointed by the ease of the attack, took Lothar and his men to prison. You have been charged with finding Lothar and rescuing him.

This scenario is very challenging with many secrets. You will have to look everywhere to find secrets. Even among the trees!!!!
