Macintosh Bargains Galore...

When: November 9, 1991 12:00PM - 5:00PM

Where: Howard Johnson's Plaza Hotel - University & Freeway/Phoenix

The following line up represents the contents of the 2nd annual AMUG Fund Raiser/Auction. This auction will end on November 9, 1991 at 5:00PM. You are not required to attend the auction to bid, however, bids are open until all of the products are sold on November 9, 1991. You can place bids by mail or in person. Mail in bids must be received by November 8, 1991 at 5:00PM. All mail in bids must contain a check in the amount of your bid and be sent to 718 E. Campbell Ave., Gilbert, AZ 85234. Should you be the successful bidder, the items you selected will be made available for pickup or you may make other arrangements to fit your needs. Should your bid not be successful your check will be returned to you. All prices listed in the retail column are on the left side and the minimum auction bid is on the right. For those who desire to attend the auction, the times are listed above each group of products as to when they will be offered. If you have questions on any of the products or the auction procedures please call Michael Bean at (602) 892-5454.

You will find these prices very low and usually half of mail order prices. All monies you expend to purchase your favorite products at these tremendous prices helps AMUG continue to provide GREAT programs. Please participate in the auction and help us make it a great success. You will not find these prices again until next years auction!

Vendor Appreciation...

Please keep this list of vendors and products available for reference. We need to remember their efforts towards supporting AMUG. If you need products that these vendors produce please consider them first and recommend them to your friends and business associates. AMUG™ is very fortunate to be supported by all of these vendors and we would like to see all our members remember their donations to your Macintosh Users Group.
