... ABOUT THE AMUG ORGANIZATION ...:

The Arizona Macintosh Users Group (AMUG) is an organization incorporated in the State of Arizona. Its purpose is to provide education and assistance to its members in the use of Macintosh Computers and related products. If you are not a member, here are the ways you can join. One is to just come to a meeting. Meetings are generally open to the public. Although you may be urged to join if you attend a meeting, the sell will be soft; A hard sell is not necessary once you become aware of all the services offered. To find out about meeting schedules you can call the Information Hotline, (602) 277-5142. However, to get yourself on the mailing list and eligible to log on to the Bulletin Board System you may wish to mail-in your membership application. An application can be from this stack

AMUG is not affiliated with Apple Computer, Inc., or any other commercial enterprise. Apple is a registered trademark of Apple Computer, Inc. Macintosh is a trademark licensed to Apple Computer, Inc. AMUG and its officers assume no liability or responsibility for products or services advertised in our Newsletter or other AMUG publications, or made available through our library or Bulletin Board System. Opinions expressed in AMUG publications (whatever the type) are those of the authors, not necessarily those of the AMUG officers, editors, operators of the AMUG Bulletin Board Service (BBS), or their agents.

In a similar vein, software publishers or members of AMUG often demonstrate hardware of software at meetings. This should not be taken as an AMUG

endorsement of or recommendation for those products. These demonstration should be taken as simply another source of information for your use in acquiring hardware or software.

AMUG officers and others who help with its activities are unpaid volunteers (although membership extension is offered to officers who serve a full year). The bylaws state that all members are expected to lend service to the club once a year. If you are willing to offer some help in club activities please contact us by any of the means indicated herein and leave the particulars. By helping AMUG, you are really helping others, but it is likely you will be the greatest benefactor.
