Subject: ***Nerd Comix* offered to your user group**

Foundation Publishing, developer of *The Comic Strip Factory* and *Comic People Volume One: Office Days*, would like to provide your group with a free, monthly, Macintosh-oriented comic strip for use in your newsletter.

The comic strips will be created by David Durkee, author of *The Comic Strip Factory* and a former writer for *Softalk*, *ST.Mac*, and *MacUnderground*. David is a close follower of events in the Macintosh universe. He also makes great comics. We may also sometimes showcase guest artists.

The comic will contain no advertising. In return for freely providing the strip to your user group, we ask that a copyright notice and artist and program credits appear underneath the strip:

© Copyright 1986, 1987, 1989 by David Durkee, Trici Venola, and Kurt Wahlner. Created using *The Comic Strip Factory* and *Comic People* from Foundation Publishing, 5100 Eden Avenue, Edina, MN 55436.

Enclosed is a sample comic. If your group is interested in receiving this free, monthly comic strip, please fill out and return the attached agreement. The comic will be distributed monthly as a PICT file via electronic mail. We will decide what services to use for distribution, what size the comic will be, and when it will be sent out each month based on your responses.

Yours Truly,

Doug Clapp
President
