Chapter 1

FWCalendar

1.1   Index

```
                FWCalendar.rexx
                      and
            FWCAddEvent.rexx Macros

                  Ron Goertz
                 16 Milltown Rd
            N Stonington  CT  06359
               goertz@earthlink.net@
```

These macros are made available for your personal use and no-cost distribution.
Permission for any other use must be obtained from the author. The most current
version can always be found by following the "Apps" link on my homepage
(http://home.earthlink.net/~goertz/Ron/). If you would like to be notified of
updates, send me an email telling me what you like/don't like about
FWCalendar.rexx or FWCAddEvent.rexx.

The documents are now in HTML format. Start by loading the index.html file
in the FWDocs folder. NOTE: VOYAGER DOES NOT PROPERLY FORMAT SOME PAGES. SORRY.
CONTACT VAPORWARE FOR HELP. (Note: the above link will only work if this guide
was opened with AmigaGuide; the link does not appear to work when started from
MultiView.)
