BUGS

Description:

Only you and your skills can save your computer from the virus! In this game you use an electrical charge to fry the virus traveling down the circuits towards you on the main chip on the motherboard.

Trick's, Tip's and Trap's:

This game exits by holding down the Alt key and pressing the function F4 key. Most games use either the mouse or arrow keys for movement of players/characters. The Space Bar, Shift Key and Control Key sometimes have hidden abilities. Read the opening game screen and help files (if menu is available) for specific instructions and for game objective. In some cases it's necessary to know and understand what the game objective or goal is to finish the game.

We hope you enjoy this game. If you have ideas for different games or suggestions on this game, please feel free to write or fax us with your ideas. Please see below for information on contacting us.
