

**Dear Ashampoo Customer,**

You have just installed a shareware version of [Ashampoo SnapYa!](#)

To start the online registration procedure just select "Get FREE Key" in the "Internet" menu. If you are not already online the program will prompt you to establish a connection to the Internet. Then follow the instructions displayed.

**Your gratis full version key code will then be sent to you at the e-mail address you provide.**

Select "Enter Reg/Trial Key" in the "Internet" menu and enter the key code in the input field displayed. (Use copy and paste to make sure the code is entered correctly.)

That's it.

**Special Upgrade Offer to Users of this Version!**

But that's not all! As a registered user of this version you are also entitled to a special, low-price upgrade to our brand-new program [Ashampoo Photo Illuminator 2](#). SnapYa! is just one of seven wizards in [Ashampoo Photo Illuminator 2](#).

Best regards,  
The Ashampoo Team
