

Registration Information

CatFinder is a shareware product. This means that you can try CatFinder for free but if you wish to continue using it you must register. When you register CatFinder you will receive a diskette containing the latest release , complete documentation, and a registration code.

The Cost

Single User License (\$25)

The single user license entitles you to run CatFinder on one machine.

Site License (\$500)

The site license allows your company to run CatFinder on an unlimited number of machines at one corporate location. A corporate location is defined as all offices of the corporation in the same city.

World-Wide license (\$2000)

The world-wide license allows your company to run CatFinder on an unlimited number of machines at any corporate location.

If you have any questions about site and world-wide licenses please contact me at shdtree@kagi.com.

How to send in the payment

You can use one of the following methods to register CatFinder:

1. Print the registration form in the next chapter and mail it along with a check, money order, or cash to:

Keith Turner

ShadeTree Programming

P.O. Box 27

New Hill, NC 27562

Checks and money orders must be in US dollars and made payable to Keith Turner. The registration form is found in the chapter "Registration Form" or can be printed from the shareware notice that appears when CatFinder is started. If you do not have a printer, simply send your name and address on a piece of paper along with your payment.

2.

You can register CatFinder via the shareware registration service provided by Kagi Shareware, Inc. This service allows you to register CatFinder with credit cards as well as cash and checks. You can mail, fax, or email your registration. Kagi Shareware provides this service to make it easier for shareware users to register the products they use. It is particularly useful for international customers. Run the application "Register CatFinder" included with CatFinder to register via the Kagi Shareware service. Refer to the chapter "Registering via Kagi" later in this file for detailed instructions on how to register using this service.

3.

If you are a member of CompuServe, you can register via CompuServe's Shareware Registration service. This service is accessed via GO SWREG. CatFinder's registration ID is 13312. The registration fee when registering via this service is \$30. The extra \$5 covers additional processing fee's charged by CompuServe.
