License

You should carefully read the following terms and conditions before using this software.

Freeman Installer & Uninstaller version 1.1 beta is copyrighted software. It is not public-domain software. The author hereby grants anyone who accepts the conditions stated in this section the rights to,

- use this software as an install program; and
- ship this software with his/her own application(s) as an install program to install those application(s) only; and
- distribute this software under the same conditions stated in this section without charging more than the cost of shipping & handling. The software must not be distributed with other products (commercial or otherwise) without prior written permission except that you are one of the disk vendors approved by the Association of Shareware Professionals.

No other rights is granted. In particular, it is illegal and prohibited to,

- modify this software without the author's written permission except the file called "install.inf"; and/or
- distribute any derived work of this software as a competitive product.

If you don't accepts these conditions, it is required that you stop keeping this software.

Disclaimer of Warranty

This software is provided "as is" without representation or warranty of any kind, either expressed or implied, including without limitation, any representations or endorsements regarding the use of, the results of, or performance of the software, its appropriateness, accuracy, reliability, or correctness. The entire risk as to the use of this software is assumed by the user. In no event will Ka lok Tong be liable for any damages, direct, indirect, incidental or consequential resulting from any defect in the software, even if Ka lok Tong has been advised of the possibility of such damages. This disclaimer shall supersede any verbal or written statement to the contrary.

If you do not accept these terms you must cease and desist using this software immediately.
