On-Line Help has not been updated

Known Problems

Image regeneration may or may not succeed. If you have a set of steps that makes the regeneration fail, please send in a Problem Report to Micrografx. See below for more details.

What if I find a problem with the program

If you experience a problem with Picture Publisher, and you wish to report it, please fill out the PROBRPRT.DOC file on the CD-ROM and either fax it or E-Mail it to Micrografx. We appreciate any comments or suggestions you may have about the product.
